

**We only allow soy butter, sunflower seeds and almonds,** everything else will be throw away in order to keep a safe environment.

I understand that **Bamboo Montessori is a peanut free environment** and I will make sure to notify any adult (babysitter, aunt, grandparent etc.) that takes care of my child, that he/she must take the necessary measures to avoid any mishap. (ex: do not eat a peanut bar before entering school).

Name and Signature of both parents/legal guardians required:
